Presents

14th ALL INDIA SALON OF PHOTOGRAPHY 1990

(FIP Recognition No. FIP / 90 / 20)

Venue :
Karnataka Chitrakala Parishat
Kumarakrupa Road
BANGALORE – 560 001

NOVEMBER 21 to 24, 1990

FOREWORD

Eventhough the conduct of this salon was planned well in advance, much against what we wished there had been a delay in sending the entry forms of our 14th all India Salon of Photography 1990, due to certain administrative reasons. Many of our participants, specially those from northern and north-eastern part of India, have rightly complained about this delay, which left them hardly any time to prepare and send their entries in time. With apologies we admit this and assure that it shall not be repeated in future.

Despite odds such as the above, number of entrants and number of entries have been moderate. Y P S has attracted entries from few of the big names in the field of photography thus adding a few more feathers to its cap. Y P S has always been known for the high-standards it has set onto itself in the conduct of Salons - both national and international. It shall be the endeavour of one and all of us at Y P S to maintain this.

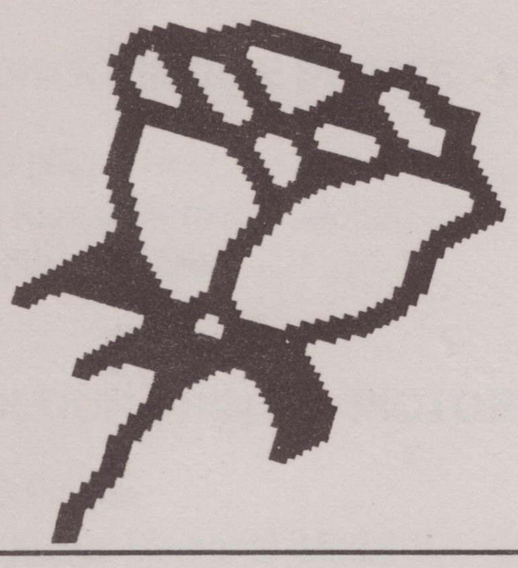

Participants are the back-bone of any Salon. Y P S congratulates all those who are successful and wishes a better luck for others in future.

M. S. Hebber
Salon Chairman

Ranganathan
