## About Youth Photographic Society (R)

**Youth Photographic Society (YPS)** was established in **Bengaluru, India in September 1971** under the patronage of the Department of Youth Services and Sports of the then Government of Mysore. Among a few hobby groups formed in the State Youth Centre, a handful of interested photographers started YPS activities with the guidance of the then Director Mr. Joginder Singh and Mr. Vijay.

Over the years, YPS has grown to be one of the most prestigious and active photographic clubs in the country. Today, **YPS is one of the oldest and highly acclaimed clubs in India**. YPS is fortunate to be associated with many veterans in art photography. The stalwarts in art photography such as Late **Dr. G Thomas** FPSA, FRPS, PSA4\*, Hon EFIAP, Hon FRPS, Hon FPSA, Hon FNPAS, Hon PSI, Hon YPS; Late Mr. **C Rajagopal** Hon FRPS, Hon FPSA, Hon PSA, Hon EFIAP, PSA 5\*, MFIAP, ESFIAP, Hon FNPAS; and Late Mr. **E Hanumantha Rao** AFIAP; have closely guided the growth of YPS along with highly applauded photo-artists such as Mr. **T N A Perumal** FRPS, MFIAP, Hon YPS; Mr. **B Srinivasa** FRPS, MFIAP, Hon YPS; and Mr. **M S Hebbar** AFIAP, Hon YPS.

YPS is proud to have the highest number of internationally renowned photographers as its members and the club has been active by their sustained efforts. As of the moment, YPS has about 200 members who have been honoured with various international distinctions by various international bodies. The society has, in its folds, both professional and amateur photographers who meet regularly to hone up their skills. Senior members have groomed many an amateur photographer to become accomplished photo artists.

**YPS celebrated the Silver Jubilee in 1996**, marking an important milestone in the history of YPS. The World Photography on August 19th is being celebrated every year in the YPS in a distinct manner since 1999. YPS currently has nearly 500 members and is growing. **Members meet on the 1st, 3rd and 5th Saturdays of the month**. Programmes on various fields of photography are held on these days. Apart from these, **regular programmes, workshops and outings for Nature, Pictorial and Travel Photography** are arranged frequently. These workshops have proved to be helpful in guiding junior members to get a first-hand opportunity to make better pictures and learn from experts.

**YPS has the distinction of having organized 34 National and 8 International salons**. YPS is a member of Federation of Indian Photography (FIP) and has **successfully conducted two FIP Conventions in 1985 and 1995 to the utmost satisfaction of the delegates**. These salons and conventions are among the best in the country and the overwhelming response they receive, year after year, is a proof of their popularity. **All YPS salons are known for their open house judging process** that can be witnessed by any participant or photography enthusiast. This is a unique feature that has helped many photo artists to improve their works.

Youth Photographic Society, Bengaluru, is one of the oldest and prestigious Photography Clubs in India established in 1971. As of now, the Society boasts of 250+ Life Members, 200+ Individual members and numerous Internationally acclaimed photographers. We are proud that we hold the highest number of international distinction holders in the country and look forward to flourishing further..

YPS has held 34 All India and 9 International salons and currently gearing towards the 10th International Salon, 2018. We were excited to have the exclusive category of 35th YPS All India Salon committee which allowed cost-free participation from youth upto 18 years of age. We were truly encouraged by the number of entries received from across India. This astounding success was possible only because I had the privilege of working with a talented, thoughtful and diligent team.

I am grateful for their insights and for their superb work. The inhouse Salon Judging software was also fine tuned and accentuated with few more features based on the feedback from our Judges of the previous YPS International Salon.

We pledged our commitment to the Digital Economy of the country by digitally processing all the payments, made by the participants and Sponsors, through the seamless digital payment gateway on our website. Open-Judging, a transparent process, where the participants not only have the opportunity of viewing their Scores Live but also assessing where each picture ranks/stands throughout the process. The distinguished juries, who are eminent Photographers themselves, conducted the evaluation of the images with great conscience and unbiased expertise to which I am deeply indebted. I Congratulate each of you for the magnificent and stunning Pictures!

As the Chairman of the YPS 35th All India Salon, I feel honored and thank the Photography fraternity for contributing to the salon in making it a huge success! For us who have been planning and working in the committee; there has been a lot of work, tremendous amount of enjoyment and an amazing feeling of work well accomplished. I would like to convey my heartfelt thanks to the Award Sponsors, Print Sponsors - Technova, Media Partners - PrajaVani, and 92.7 Big FM who immensely supported the success of the Salon. I thank our own YPS Executive Committee and my adherent & steadfast Salon Committee members for their commitment to excel. Last but not at anyway the least, I appreciate and thank all of the senior members of the YPS EC, the YPS Salon Committee. My very special thanks go to Mr. H. Satish, YPS President, for believing the younger generation and entrusting us with this incredible experience and for constantly being the guiding factor.
