YPS - The Best Photography Club

Established in September 1971, Youth Photographic Society, Bengaluru (YPS) is one of the oldest and most prestigious photography clubs in India. The society has 700+ members, from across the country.

YPS has been actively organising programs for its members regularly in its hall. The pandemic ushered in online sessions in photography. 2020 began with weekly webinars by eminent photographers from across the world, virtual workshops and learning sessions online for members. Field trips, workshops and practical photography sessions have enabled learning from seniors who have mentored many photographers to become great artists, holders of honors from national and international federations, jury members and mentors.

Hosted FIP Conventions in 1985 and 1995, FIAP Nature Biennial in 2010 and now hosting the 31st FIP Convention in March 2024. It has also organised 41 All India and 13 International Salons. YPS salons are most sought after by Indian and International participants on account of its professionalism, transparency and carefully choreographed exhibitions of prints. As a testimony to this, photographers from more than 50 countries participate in the international salons. The All India Salon 2021 created a national record for the highest number of submissions for a salon with only FIP Patronage. 1,039 authors submitted 13,321 works in 4 sections. The International Salon 2021 has also created a record for YPS with 17,451 submissions.

YPS is one of the few clubs that conduct judging which are open to participants and photo enthusiasts to walk in and witness. On the virtual front, It is perhaps the only club that displays live scores on the web along with the pictures, both for National and International Salons. Winners are also announced at the live webcast sessions. It is perhaps the first club to hold a virtual exhibition in the wake of the pandemic.

YPS has the highest number of achievers of International Honors (130+). In 2021-22, 54 YPS members won FIAP honors ranging from AFIAP to EFIAP/g.

YPS has focused groups for various genres of photography such as Street and Macro. Salon Participation group members participate in National and International Salons winning significant awards and acceptances. YPS is a proud holder of 340+ Best Club Awards won since 2018, which are displayed in the hall. An in-house journal, Dṛṣṭi holds a place of pride with informative articles and magnificent works by members and experts in photography.

With its various programmes, YPS has set a great example of what a photography club can achieve by active participation of its members, who have contributed to take the club to great heights.

Message from the Salon Chairman

Manju Vikas Sastry V
AFIP

To begin, I want to express my gratitude to the 279 authors hailing from 35 different countries for their overwhelming response in submitting a total of 3504 pictures. The entire team takes immense pride in this achievement. I thank each contributor for submitting such magnificent and stunning photographs. Our salon has garnered six international recognitions from prominent photography federations, offering participants the chance to earn their desired distinctions.

YPS actively encourages the involvement of photography clubs and groups by offering discounts, and it's heartwarming to see clubs in both India and abroad making use of this opportunity. This marks our 14th International Salon, with YPS having organized 41 National and 13 International salons in the past.

The remarkable success of this event is attributed to the global participation we received. Such achievements were made possible due to the privilege of working with a talented, thoughtful, and diligent team. I am genuinely thankful for their insights and exceptional work.

Our in-house developed salon judging software by Late Shri Murali Santhanam has been refined further based on feedback from judges of previous YPS International Salons. We have an open-judging process, allowing participants to view their scores live and track their picture's progress throughout the evaluation. Our distinguished jury, all renowned photographers themselves, conducted this assessment with great integrity and diligence, for which I am deeply grateful.

It is a profound honor for me to serve as the International Salon Chairman for the second time, having previously served as the National Salon Chairman three times and International Salon Secretary twice. I would like to extend my gratitude to the YPS Executive Committee for their trust in me to lead the execution of this salon. This added responsibility is one I'm delighted to shoulder.

In my role as Chairman of the YPS International Digital Salon 2023, I feel a great sense of honor. I want to express my appreciation to the photography community for their contributions, which played a crucial role in making this salon a resounding success. For those of us who have been planning and working on this committee, the experience has been a tremendous learning opportunity filled with enjoyment, and a profound sense of accomplishment. My heartfelt thanks go to our Salon partners, print partners like Technova, and all the media partners who made significant contributions to the success of the salon. I also want to express my gratitude to our dedicated YPS Executive Committee and the loyal Salon Committee members who have consistently strived for excellence. I must acknowledge Ms. Anitha Mysore, the Salon Secretary, for sharing the responsibilities and offering invaluable support in the decision-making and execution of the salon. Last but not least, my special thanks go to our Salon mentor, Mr. Mohammed Arfan Asif, for his constant guidance throughout this journey.

I am pleased to present a comprehensive report on the YPS International Salon 2023. This event was the third consecutive Salon I have had the privilege of organizing, and it has been a satisfying experience for all involved.

The successful management of bringing in 12 esteemed international jury members contributed to the high caliber of our event. The diversity in the jury added an international perspective to the salon's evaluation process.

We received an overwhelming and positive response from participants, underlining the reputation and prestige of the YPS International Salon. The substantial number of submissions demonstrated the trust and enthusiasm of photographers worldwide.

Our support team, led by our dedicated Chairman, Vikas, worked tirelessly throughout the event. The Chairman's responsiveness was remarkable, addressing queries almost before they were posted, and his unwavering availability, despite his busy schedule, ensured the event's smooth functioning.

Smita, our Webmaster, effectively managed her second salon. Her meticulous approach ensured that our online presence and registration process ran smoothly. Her contribution was vital to the event's seamless digital operation. Gopinath, responsible for the Salon setup was, as always, available to mend and tweak the backend whenever needed. His technical expertise ensured the smooth functioning of the event's online platform, guaranteeing that participants and judges could navigate the process effortlessly.

The reviewers played a vital role in evaluating the 3504 pictures submitted. Their untiring work ensured that the salon maintained its high standards, adhering to our commitment to quality and impartial evaluation. The Creatives team exhibited exceptional proactivity and efficiency, working

tirelessly to create an engaging and memorable experience. Their creative input was instrumental in crafting the visual identity of the salon. Our media and publicity team did an outstanding job in promoting the event. Their efforts generated significant interest among photographers and art enthusiasts, expanding our reach and ensuring that the YPS International Salon received the attention it deserved.

The international jury members were very cooperative, scored the pictures per schedule and made themselves available for jury meetings without much ado despite conflicting time zones. Their discussions and insights enriched the event, fostering a sense of international camaraderie and collaboration, not to mention the wealth of knowledge brought to the table, enhancing the judging process. The results were published as scheduled, further enhancing the credibility and transparency of the YPS International Salon 2023. The timely release of results was a testament to the meticulous planning and execution of the event.

As we look forward to the upcoming physical exhibition, scheduled in a month's time, we anticipate it will be a culmination of the creative talents and hard work put into this event. The physical exhibition promises to be an opportunity for photographers and art enthusiasts to witness the beauty and artistry of photography up close.

In conclusion, the YPS International Salon 2023 was a resounding success. I would like to extend my heartfelt gratitude to the YPS Executive Committee, the Salon Committee and our esteemed Chairman for their unwavering commitment and dedication. This event would not have been possible without their motivating efforts.

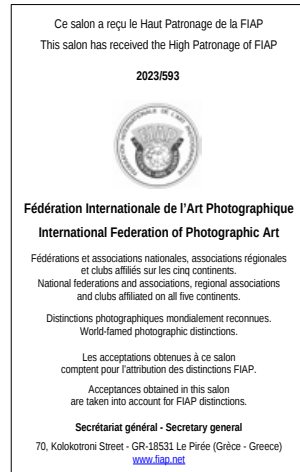

Thank you for entrusting me with the role of Salon Secretary, and I look forward to future opportunities to contribute to the success of YPS International Salons.

Dr. PRAMOD GOVIND SHANBHAG

ARPS, MPSA, EFIAP/d1, MFIP (N)

Dr. Pramod, born on 22 September 1947 in Honavar, coastal Karnataka, holds the following professional qualifications: MBBS from KMC, Hubli in 1971, and DCH from KEM Hospital in 1974. He commenced his private practice in a rural area in 1975, and since 1981, he has been practicing in Bangalore.

From a young age, Dr. Pramod has been captivated by nature and wildlife, drawing inspiration from magazines like Life, Times, and National Geographic found in his college library. His journey into photography started in 1992 when he and a friend began learning under the guidance of Mr. Perumal, an esteemed figure in nature photography. Since 2014, he has passionately pursued photography as a hobby and has actively participated in national and international photo competitions. As a testament to his talent, he has received over 7000 acceptances and has been honored with 1200 awards. Recently, he has developed a keen interest in street photography.

Dr. Pramod's extensive travels have taken him to various remote locations, exploring the wonders of the natural world.

Mr. HANS-PETER HORNBOSTEL

EFIAP, EPSA, GPU CR2 / VIP1, cMoL, G.APS, Hon.CPE

Hans-Peter Hornbostel, born in 1954, has been actively involved in photography since 1983. However, he took a slight hiatus when his children were growing up. In 2011, he reignited his passion for photography, this time embracing digital techniques. As a member and speaker of a small village club, he continuously strives to enhance his skills.

In early 2014, Hans-Peter joined DVF, which represents the German location of FIAP (International Federation of Photographic Art). Later in 2019, he ventured into international contests, broadening his horizons. He is now an esteemed member of several prestigious photography associations, including FIAP, PSA (Photographic Society of America), GPU (Global Photographic Union), MOL, and APU.

Hans-Peter's photography preferences lie in nature, particularly wildlife, although the definition of wildlife in Germany might be somewhat limited. Additionally, he finds delight in capturing architecture, the captivating moments of the blue hour, night photography, and UNESCO world heritage sites, with a special focus on Germany's cultural treasures.

Mr. UMBERTO D'ERAMO

EFIAP/s, MPSA

Born in Rome in 1954, Umberto D'Eramo now resides in Sulmona and is self-employed. He serves as an Adjunct Professor in the School of Medicine's Department of Neurology at the University La Sapienza, with affiliations in both Rome and Palermo. Youth Photographic Society, thanks the organizations, media and individuals
who extended support to YPS International Salon 2023

Print partners:

TechNova has been partnering with Youth Photographic Society for many areas in the use of advanced print technologies. YPS has been producing Exhibition Prints, Salon Catalogs and Certificates using TechNova's NovaLife Non-tear Media.

NovaLife Premium from TechNova is a revolutionary non-tear digital imaging media, perfectly optimised for a range of applications such as wedding albums, photos and general commercial printing.

These have been greatly appreciated and acknowledged by photographers, from all over the world, for the print quality and long lasting life.

TechNova is one the world's largest suppliers of print solutions. TechNova's innovative and world-class products cater to a wide range of industries, such as Commercial and Newspaper Printing, Publishing, Packaging, Signage, Photo, Textile, Engineering and Medical Imaging.
