Youth Photographic Society

Youth Photographic Society (YPS) was established in Sep 1971 under the patronage of the then Department of Youth Services & Sports, Government of Mysore. Among a few hobby groups formed at the State Youth Centre, a handful of photographers started YPS under the guidance of the then Director of Youth Services Mr. Vijay. The society was registered with Ms. Vanaja Rao as the first president of YPS. Later another Director of Youth Services Mr. Joginder Singh too bestowed all possible help to the society. Over the years, YPS has grown to be one of the most prestigious and active photography clubs in India. Stalwarts in art photography, Late Dr. G. Thomas FPSA, FRPS, Hon. YPS, Late Mr. C. Rajagopal MFIAP, FRPS, FPSA, Hon. YPS and Late Mr. E. Hanumantha Rao AFIAP, Hon. YPS have closely guided the growth of YPS along with highly applauded artists like Late Mr. T. N. A. Perumal MFIAP, FRPS, Hon. YPS, and Mr. M. S. Hebbar, AFIAP, Hon. YPS.

The Club presently has more than 700 active members including Life Members, Honorary Members, Individual Members and Junior Associates from across the country. More than 150 have been conferred with one or more international photographic distinctions. YPS commemorated its Golden Jubilee in 2021 by making its national and international salons free for participation apart from organising special programmes like 'Nenapugalu' where the history of YPS, as spoken by senior members, was recorded.

YPS has been organising programmes every weekend. Even during the pandemic, webinars and online workshops were held on various topics of photography by eminent photographers from across the world. Upskilling of members into photo artists, distinction holders, jury and mentors is a testimony of quality

of YPS field trips, workshops and knowledge sharing sessions. Being a Corporate Member of Federation of Indian Photography (FIP), YPS has successfully organised three FIP Conventions (1985, 1995 & 2024). The 31st FIP Convention in Mysuru hosted by YPS set a new benchmark and was much applauded by FIP and the delegates alike. YPS is the first corporate club to be awarded the coveted ESFIPC distinction by FIP. YPS has also hosted the 15th Fédération Internationale de l'Art Photographique (FIAP) Nature Biennial 2010 to the utmost satisfaction of the delegates. The YPS journal *Dṛṣṭi* with informative articles and high quality images has been winning awards from Photographic Society of America. It won Honorable Mention in 2021, 2022 and did a hat-trick by winning the Arthur P Henricks Jr Memorial Award- the top award at the 2023 PSA Newsletter Competition. Among other groups like Macro and Street Photography, YPS has a focused group for salon participation through which members participate in salons across the globe and win accolades. Since late 2018, this team has won a staggering 430+ Best Club Awards from India and abroad. Thus the club is a complete source of information, education and inspiration to photography enthusiasts.

YPS has the distinction of having organised 42 National and 14 International salons, this being the 43rd National Salon. Our salons are the most sought after by Indian and foreign participants on account of professionalism, open judging, carefully choreographed exhibitions of prints and superior catalogues. YPS has adopted new technologies including its own state-of-the-art salon/contest management software. Thus, the society has not only set benchmarks for other photography clubs to emulate but also keeps raising its own bar.

Their discussions and insights enriched the event, fostering a sense of camaraderie and collaboration, not to mention the wealth of knowledge brought to the table, enhancing the judging process. The results are being published ahead of time, further enhancing the credibility and transparency of the YPS National Salon 2025. The timely release of results was a testament to the meticulous planning and execution of the event.

As we look forward to the upcoming physical exhibition, scheduled in May, we anticipate it will be a culmination of the creative talents and hard work put into this event. The physical exhibition promises to be an opportunity for photographers and art enthusiasts to witness the beauty and artistry of photography up close.

In conclusion, the YPS National Salon 2025 was a resounding success. I would like to extend my heartfelt gratitude to the YPS Executive Committee, the Salon Committee and our esteemed Chairperson for their unwavering commitment and dedication.
