YPS - The Best Photography Club

Youth Photographic Society (YPS) was established in Sep 1971 under the patronage of the then Department of Youth Services & Sports, Government of Mysore. Among a few hobby groups formed at the State Youth Centre, a handful of photographers started YPS under the guidance of the then Director of Youth Services Mr. Vijay. The society was registered with Ms. Vanaja Rao as the first president of YPS. Later another Director of Youth Services Mr. Joginder Singh too bestowed all possible help to the society. Over the years, YPS has grown to be one of the most prestigious and active photography clubs in India. Stalwarts in art photography, Late Dr. G. Thomas FPSA, FRPS, Hon. YPS, Late Mr. C. Rajagopal MFIAP, FRPS, FPSA, Hon. YPS and Late Mr. E. Hanumantha Rao AFIAP, Hon. YPS have closely guided the growth of YPS along with highly applauded artists like Late Mr. T. N. A. Perumal MFIAP, FRPS, Hon. YPS, and Mr. M. S. Hebbar, AFIAP, Hon. YPS.

The Club presently has more than 700 active members including Life Members, Honorary Members, Individual Members and Junior Associates from across the country. More than 150 have been conferred with one or more international photographic distinctions. YPS commemorated its Golden Jubilee in 2021 by making its national and international salons free for participation apart from organising special programmes like 'Nenapugalu' where the history of YPS, as spoken by senior members, was recorded.

YPS has been organising programmes at regular frequency. Even during the pandemic, webinars and online workshops were held on various topics of photography by eminent photographers from across the world. Upskilling of members into photo artists, distinction holders, jury and mentors is a testimony of quality of YPS field trips, workshops and knowledge sharing sessions.

Being a Corporate Member of Federation of Indian Photography (FIP), YPS has successfully organised three FIP Conventions (1985, 1995 & 2024). The 31st FIP Convention in Mysuru hosted by YPS set a new benchmark and was much lauded by FIP and the delegates alike. YPS has also hosted the 15th Fédération Internationale de l'Art Photographique (FIAP) Nature Biennial 2010 to the utmost satisfaction of the delegates. YPS is the first corporate club to be awarded the coveted ESFIPC distinction by FIP.

The YPS journal Dṛṣṭi with informative articles and high quality images has been winning awards from Photographic Society of America. It won Honorable Mention in 2021, 2022 and did a hattrick by winning the Arthur P Henricks Jr Memorial Award- the top award at the 2023 PSA Newsletter Competition. In 2024, it continued with a Honorable Mention, and winning the Arthur P Henricks Memorial Award for a second time in 2025.

Among other groups like Macro and Street Photography, YPS has a focused group for salon participation through which members participate in salons across the globe and win accolades. Since late 2018, this team has won a staggering 450+ Best Club Awards from India and abroad. Thus the club is a complete source of information, education and inspiration to photography enthusiasts.

YPS has the distinction of having organised 43 National and 15 International Salons, this being the 16th International Salon. Our salons are the most sought after by Indian and foreign participants on account of professionalism, open judging, carefully choreographed print exhibition and superior catalogues. YPS has adopted new technologies including its own state-of-the-art salon/contest management software. Thus, the society has not only set benchmarks for other photography clubs to emulate but also keeps raising its own bar.

Message from the Salon Chairman

Manju Vikas Sastry V ESFIP, AFIP, Hon.APF

I begin with heartfelt gratitude to the 343 authors from 39 countries who contributed an astounding 4,047 photographs. This overwhelming response fills our entire team with immense pride. Thank you for submitting such magnificent and captivating work. This salon had earned four international recognitions from leading photography federations, giving participants the opportunity to achieve their coveted distinctions.

YPS continues to foster active participation from photography clubs and groups through Best Club and YPS continues to foster participation from photography clubs and groups through Best Club award, and it is truly encouraging to see both Indian and International clubs embracing this opportunity. This marks our 16th International Salon, following the 43 National salons organized in the past.

The resounding success of this event is a testament to the global participation we've received. I am deeply grateful to my talented, dedicated, and insightful team, whose hard work made this achievement possible.

Our in-house salon judging software, developed by the late Shri Murali Santhanam, has been further refined based on feedback from previous judges. With our open-judging process, participants could view their scores live and With our open-judging process, participants could view their scores live. I sincerely thank our esteemed jury of accomplished photographers for their fairness, expertise, and integrity.

It is a great honor to serve as International Salon Chairman for the fourth time, having also been National Salon Chairman thrice and International Salon Secretary thrice. I thank the YPS Executive Committee for their trust in my leadership.

The journey of the YPS International Digital Salon 2025 has been both a joy and a valuable learning experience. My heartfelt thanks go to our Salon partners, print partners like Technova, media partners, the YPS Executive Committee, and our unwavering Salon Committee members. I also extend special gratitude to Ms. Anitha Mysore, Salon Secretary, for her steadfast support and shared responsibility in the planning and execution of this salon.

I am pleased to present a comprehensive report on the YPS International Salon 2025. This is my fourth term as Salon Secretary, and it has been one of the most rewarding yet – with greater reach this year, resulting in an outstanding collection of pictures.

We did face some initial hiccups related to the sections, but in the end, this turned out to be a blessing in disguise. It gave us the opportunity to introduce the Architecture section for the first time in a YPS Salon – and the entries were truly a sight to behold, showcasing creativity, diversity, and technical finesse from around the world.

We hosted an 8-member jury panel from 5 countries, attracting 343 authors, 4047 pictures from 39 countries – the highest in over three years – with particularly strong participation from YPS members.

Our steadfast Chairman, Vikas, led from the front, ensuring smooth operations. Gopinath and Koushik ensured timely support.

The four reviewers worked tirelessly to maintain our high standards in evaluating the 4047 pictures. A special mention must be made of Madhu Kakade and Niladri, first-time reviewers who did an excellent job alongside our other experienced reviewers. Their dedication and eye for detail ensured the judging was thorough, fair, and consistent.

One new initiative this year was the inclusion of selected observers during jury meetings – a step aimed at nurturing the next generation of YPS judges and securing our future judging expertise.

The esteemed jury members were cooperative, disciplined with timelines, and brought diverse perspectives despite time zone challenges. Their discussions enriched the process and strengthened the credibility of our selections. The results were published on schedule, reinforcing our commitment to transparency and professionalism.

Our Creatives team excelled in giving the salon its visual identity, while the media and publicity team ensured widespread attention and engagement from photographers and art lovers.

The physical exhibition will be held in less than two months, adjusted for the festival season. We look forward to this grand finale, where the artistry and dedication of our participants can be appreciated in person.

In conclusion, the YPS International Salon 2025 was a resounding success. My heartfelt thanks go to the YPS Executive Committee, Salon Committee, and our Chairman for their unwavering support, and to all team members whose contributions made this event possible. I am grateful for the trust placed in me and look forward to continuing to serve YPS in future salons.
